

GPC STAFFING

GPC has access to an extensive network for staffing IT, technical and business roles in such industries as Aerospace, Hi Tech, Retail, Food & Beverage, Pharmaceutical and Industrial Engineering. We offer contract, contract to hire and staffing for full-time equivalents.

To promptly respond to your staffing needs, please provide the following information whether it be by email to info@globalpartnerconnections.com or a phone call to (805) 218-0756.

- Contact name, title, company, location, phone number and email address
- Tell us about the position; indicate whether on-site or remote; contract, contract to hire or permanent; education and years of experience required; desired salary range and indicate when you will need the person(s) to start and if contract, estimated length of contract.
- Summarize job function and responsibilities
- Name and role of person providing day-to-day direction
- Billing contact name, phone number and email
- If on-site, business address including state and zip code where work will be performed
